# ORGANIC ALTERA

*“Biti dio prirode srž je postojanja. . .”*  
*“Being part of nature is the core of existence...”*

Organic Altera jedinstven je i prijeko potreban novitet na našem tržištu. Riječ je o konceptu održivih šatora i glamping kućica koji odišu elegancijom, a dosad smo ih mogli vidjeti samo na luksuznim svjetskim destinacijama. Uvijek nam je izazov i zadovoljstvo izlaziti izvan okvira klasičnih evenata na otvorenom te probijati led novim trendovima, ali i biti dio rješenja globalnih problema. Svjesni smo da održivost nije naša budućnost, nego sadašnjost, a održivi su eventovi potreba, ne trend.

Organic Altera is a unique and much-needed novelty on our market. It's the concept of sustainable tents and glamping houses that exude elegance, which we could only see so far in the world's most luxurious destinations. It is always a challenge and a pleasure for us to go beyond the framework of classic outdoor events and to break the ice with new trends, but also to be part of the solution to global problems. We are aware that sustainability is not our future, but the present and sustainable events are a necessity, not a trend.

*“Don’t look where you are.  
Look where you’re going.”*

Najam šatora bit će odlična opcija za Vas kada Vam je potreban dodatan prostor na kraće vrijeme ili kada ne znate točno koliko će Vam dugo biti potreban.  
Kupnja šatora bit će najbolje rješenje kada trebate dodatni prostor na dulje vrijeme (skladišni prostor ili hala) te kada želite slobodu izbora pri mjerama i bojama.

Skladišni šatori izvrsna su opcija u industriji, proizvodnji, skladištenju i logistici. Izabrati možete između šatora različitih veličina i dimenzija te različitih bočnih visina. Nudimo opciju najma i kupnje. Prednost je brza montaža i demontaža te smanjen obujam dokumentacije za postavljanje. Uz to Vas besplatno savjetujemo i vršimo izmjeru!

We recommend tent rental in situations when you need a tent for a shorter period of time, or when you don't know for how long you will need rental services.

There are going to be situations where you will consider tent sale over tent rental. That will be a great option when you need a tent for a long or permanent period of time (warehouse or a hall), and when you want certain autonomy in tent measure or color options.

Storage halls are an excellent choice in industry, logistics, and manufacturing. You can choose between tents of various sizes, dimensions, and side walls heights, and whether you want to lend or buy. The advantage of storage halls is a quick installation and disassembling, and a reduced amount of documentation. Great fact - measurements and guidance are free of charge!
